
Thrace Thracians Fol Marazou Ivan

the thracian world at the crossroads of civilizations ii - considered from the viewpoint of thracian studies (fol 1994: passim). sabazios seems to be another name of the palaeo-balkan deity who underlay the image of the greek dionysos, marking the anatolian (phrygian) components in a common cult (fol 1994: 64-70). the parallels between phrygian and thracian rock-cut complexes and
